Back to School Information

Your family should have received:

- Individual student schedules & instructions on how to submit schedule correction request
- Technology Help & FUHSD Account setup instructions
- Distance Learning Schedule & First Week of School Schedule
- Information directly from your principal/school site for important school-specific events happening this week:
 - Orientation activities
 - Materials pick up
 - Device distribution (Chromebooks & WiFi hotspots)
 - Additional specifics on first week of school

Please contact your child's school directly if you did not receive this information

Social-Emotional Supports

- Mental Health/Wellness Check-In Form will be available once again for the 2020-21 school year
- Connection to advisory

Food Service

- Food service will be offering drive-thru meals on Wednesdays from 11 a.m. to 1 p.m. and 3:30 to 5 p.m. at Cupertino, Fremont and Homestead.
- Students or parents can pick up a full week's worth of meals (5 breakfasts & 5 lunches) every Wednesday.
- Meal service will be drive thru, contact free and scanners will be used to scan student ID. All FUHSD students can go to any of the three school sites to get the meals. A mailer with this information will be sent to families.
- Looking into the possibility of remote sites to better reach out to families who do not live in close proximity to our schools.

SAT Testing

- Many questions about SAT Testing and if we will be able to serve as a testing center this year
- Current Public Health guidelines do not indicate that administering testing would be allowable at this time
- Districts are researching and reaching out to College Board to find out how they are thinking about testing for the rest of the 2020-21 school year

If you have concerns during remote learning...

The process is the same as under regular in-person instruction:

1. Contact your child's teacher first
2. Contact your principal or another member of your school's administrative team if your concerns are not addressed

We want to hear from you if there is a concern!

Principals will be continuing to provide regular written and/or video communication and opportunities for parents to ask questions.

Athletics, Activities & Clubs

- Fall Sports season has been postponed until Dec./Jan.
- We cannot bring small groups of students on to campus at this point for any student activities
- Plans for clubs & other extracurricular activities

QUESTIONS?
